

✓ **CHECK IT OFF YOUR LIST!**

## BENEFITS

- **5 & 10 Year Service Agreements**  
Match the Service Reimbursement Policy to the manufacturer's product warranty and cover the entire fixture (Parts and Labor) for up to '10' full years
- **Peace-of-Mind**  
Each Service Reimbursement is supported by a publically traded 'A' Rated Insurance Company protecting you and your investment for years to come
- **Service Provider**  
Maintain full control over who services your lighting and when it gets serviced
- **Financing**  
Finance future labor through Capital Expenses or Operating Expenses  
**YOUR CHOICE**

## SERVICE SOLUTIONS FOR EVERYONE

Our **Service Reimbursement Programs** help supplement labor costs when servicing your indoor and outdoor LED lighting under an approved warranty repair or replacement.

Assurances for using our Service Reimbursement Programs:

- Reduces Hassle
- Optimizes Uptime
- Expense Predictability
- Peace of Mind

IFS Inc. is "vendor neutral". We are not associated with any manufacturer and can evaluate the quality of your LED fixtures independently – FREE OF CHARGE!

Industry touts LED life expectancies to range from **25,000** to **100,000 hrs**. Manufacturers typically offer a **5 year limited warranty**, but only on the LED product itself, **LABOR IS NOT INCLUDED.**

24hrs/d x 365d/yr x 5yrs = **43,800 hrs**  
24hrs/d x 365d/yr x 10yrs = **87,600 hrs**

*Take advantage of our NO-RISK labor policies!*

Our **Service Reimbursement Programs** are the most reliable options in the market today. Contact us for further information.
